

## **2018 League Championship Information**

1. All 15 Varsity teams & all 12 JV teams qualify for the League Championship Tournament.
2. Green, Blue & Gold Division regular season champions will be the #1, #2 & #3 seeded teams.
3. The #4 through #15 (#12 for JV) teams will be seeded in order of overall record, regardless of division (with tie-breaking procedures used).
4. Tie Break Procedures for seeding
  - a. Overall points (1 point is earned per each pairs match won by a team)
  - b. Head to head
  - c. Overall set win percentage (for all pairs)
5. Championships rosters must be submitted prior to the start of the tournament, and will be locked for the remainder of the playoffs. Players/pairs can change order (one slot moves), but cannot move between teams or levels. Alternate players may be listed beyond the 6 players, to rotate in, or in case of injury.
6. Coaches are still required to turn in lineup sheets before the start of each match played.
7. Playoff matches will be 3 pairs, playing in order (specified teams 1, 2, 3, just like a league match). The team that wins two or more pairs matches, will win the dual match.
8. If a team does not have 6 players to fill the 3 pairs, they may forfeit the 3<sup>rd</sup> slot, and play the 1<sup>st</sup> & 2<sup>nd</sup> pairs slots. If they have only players or less, they will forfeit the entire dual match.
